

Preamble for the Azalea Coast Amateur Radio Club Monday night rag chew net.

This is (call) and my name is (your name) I'll be serving as net control tonight for the Azalea Coast Amateur radio club Monday night rag chew net. The purpose of the net is for members of the club and any other ham radio operators to get on the air and talk about anything relate to ham radio. The way we will recognize you is by the first letter of your call sign suffix. In order to keep calls from piling up I will call for check-ins by the first letter of your call sign suffix starting with call signs A thru F, then G thru M, N thru S and then T thru Z. Then I'll call for the complete alphabet, A thru Z.

After check-ins:

Are there any announcements for the net?

I'll now call on each station that checked in for a rag chew.

After all stations have had their turn for rag chew I'll call again for any late check in's

If no further check-ins or comments I'll close the net for tonight.

This is (call) now closing the Azalea Coast Amateur Radio Club Monday night rag chew net for tonight. Look forward to hearing everyone next Monday night at 9 PM.
