

## Museum Ships Weekend

Set your Alarms !! Saturday June 2 and Sunday June 3<sup>rd</sup> the Azalea Coast ARC will be at the the Battleship USS North Carolina. This is a fun event with 97 ships signed up to operate from all over the world.

All area hams are invited to come over to the ship and help the club put out the USS North Carolina to the world.

We will start out with a big breakfast for all that can make it at the K & W Restaurant at 8:00am and be at the ship by 9:00am. We will meet in the break room on the ship and then head down to the radio room.

For those that come over at different times call us on the club repeater 147.180 and we will send someone up to the break room to get you. The break room is located as you face the ship from the parking lot on the left side of the building. Come up the steps on the left side of the building , come around to the break room.
