

Pearl Harbor Day

The Azalea Coast ARC will again be at the Battleship USS North Carolina for Pearl Harbor Day on December 7. This event is open to all area hams, come over and help us celebrate Pearl Harbor Day.

We will follow the same format as in the past, meet at K & W restaurant at 8:00am and be over to the ship around 9:00am local time.

If you come over during the day give us a call on the club repeater 147.180 for directions to the radio room. Operation time is from 9:00am until we get tired or the bands give out.

If you have a question email Allan kx2h@arrl.net.
